Developing & Training Rural Youth

Inspiring Young Leaders & Empowering Futures

Youth4Change is not just a programme; it's a catalyst for change, sparking a revolution in the minds and lives of rural youth. Explore sponsorship opportunities today and become part of a youth development collaboration that shapes promising futures.

Youth4Change Inspiring & Equipping

Youth development programmes play a pivotal role in addressing challenges, building resilience and fostering positive growth in rural and under-resourced communities. Investing in the development of young individuals is an investment in the future prosperity and well-being of the entire community.

Programme spans a duration of 3 months, excluding the recruitment period. Each month, the beneficiaries will engage in theoretical and practical training days, group mentoring and life coaching sessions. As the participants embark on this dynamic and transformative journey, they unlock life-changing training modules along the way, motivating and empowering the youth to make informed, positive life choices and setting the stage for each one to ignite their potential.

Programme activities include:

- Learners to License | Opportunities in Sport | Career Development | Jobs of the Future | Soft Skills Mastery | Entrepreneurship Bootcamp

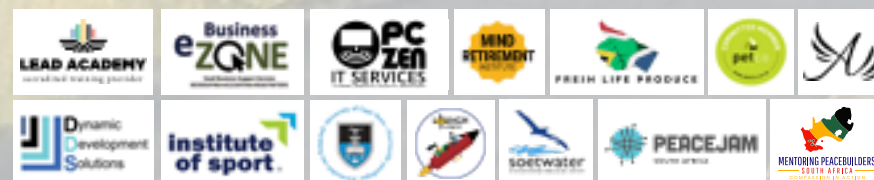

➤ *Motivate and inspire the youth to make informed, positive life choices, setting the stage for each one to ignite their potential!*

Developing essential skills by partnering with Lead Academy and Business e-Zone as well collaboration with like-minded service providers to ensure successful programme implementation with professional and experienced facilitators and mentors.

➤ *Crafted to empower young minds in under-resourced communities and inspire the transformation to a brighter future!*

programmes

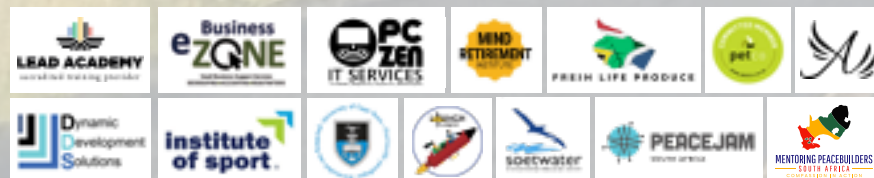

Women4Change Mentoring & Equipping

Beneficiaries will enter a 5-day Programme where they will be empowered (facilitate and mentor) equipped (skills training) and enabled (stipend) to make the best possible choices towards a successful and prosperous life, through the following outcomes: Foster innovative thinking and initiative, encouraging exploration of scalability and sustainability. Discover and explore diverse interests, strengths, and previously unconsidered markets. Develop critical thinking, research, and analysis skills for informed decision-making. Cultivate purposeful lives aligned with values and passions. Build confidence and overall self-esteem, fostering resilience. Forge valuable connections for opportunities and broader support networks. Contribute to societal well-being through empathy and good service delivery. Enhance cultural awareness, inclusivity and effective collaboration in diverse settings.

Programme Activities: Launch League Entrepreneurial Modules (Theory) | Worksheet & Group activities | Business Start-up Kit | Coaching & Mentoring break-aways.

Investing in the education and mentorship of emerging talents not only ensures the transfer of invaluable expertise but also cultivates a new generation of leaders capable of addressing the nuanced needs of rural populations.

Equipping Rural Women In Business

Business Skills & Personal Development - Empowering Futures

Women4Change is a skills and personal development programme for rural women in business. A programme that will give them confidence to step into the professional world with all the tools needed to shape promising futures. We want to create an environment in which women can feel equipped to identify their own solutions.

➤ *During this comprehensive programme we will impact and inspire beneficiaries towards embarking on a positive and potentially life-changing journey.*

➤ *By the end of the program, beneficiaries should feel empowered, equipped, and inspired to take bold steps towards realizing their entrepreneurial aspirations!*

Developing essential skills by partnering with Lead Academy and Business e-Zone as well collaboration with like-minded service providers to ensure successful programme implementation with professional and experienced facilitators and mentors.
