Angels

RESOURCE CENTRES

Rural Development Implementation Centre

Ignite – Integrate – Impact

Rural Community Development

Angels is more than just a professional Rural Implementation Centre; we're a beacon of hope for under-resourced communities across South Africa.

With a dedicated focus on fostering sustainable small businesses, empowering rural and survivalist entrepreneurs, and spearheading impactful outreach initiatives, Angels is at the forefront of transforming rural development through collaborative efforts, strategic fund allocation and unwavering partnerships, striving to bring about tangible and lasting change.

Training and Mentoring Programmes

Angels Resource Centres is a non-profit organisation (NPO) registered with the Department of Social Development since 2015. We hold a Level 1 B-BBEE rating and have Public Benefit Organisation status at SARS.

Your support will directly impact the recipients of our training & mentoring programmes or outreach and management services and will help us bring real sustainable change to the communities we serve, making a real difference in the lives of rural South Africans.

OUR MISSION

Our mission is to deliver programmes that tackle the challenges faced by rural entrepreneurs who have limited access to resources head-on and focus on developing the critical skills that are often overlooked, but needed for communities to thrive.

OUR VISION

Our vision is to create a world in which people are equipped and empowered to identify their own solutions and enabled to provide for themselves and their communities.

ANGELS BOARD

Volunteer Board: Experts in various fields, who give us their time, expertise and passion to guide us in our overall strategy, vision and mission.

ANGELS EXCO

Executive Committee: Our Committed ManCom members: Chief Executive Officer (CEO), Chief Operation Officer (COO), Financial Manager and the HR Manager, report directly to the Board.

OUR PROGRAMMES

Our programmes help to establish sustainable small businesses through the upliftment of rural and survivalist entrepreneurs. Many of whom are talented and have excellent business ideas, but face challenges that are greater than their current capacity.

ANGELS TEAM

Staff Members: Based in various provinces in South Africa, we work together remotely to effectively manage the administration and implementation of all our programmes, across the country.

OUR PURPOSE

Our main purpose is to IGNITE potential, INTEGRATE communities and positively IMPACT the world around us. By combining our different skills under a shared passion to improve the lives of others, we can have far more impact! We are all about change!

COLLABORATION

Partner Services: Angels is part of a collaborative group of companies who align with our values. Together we bring professional solutions to the communities we serve and those who support us.

ANGELS IMPACT PROGRAMMES

...Rural Community Development, Training and Mentoring

All our programmes are and underpinned by our innovative Life Chain Approach and are aligned with the Sustainable Development Goals:

THE GLOBAL GOALS Aligning our programmes with the Global Goals to impact and develop rural communities and create measurable Economic Development (ED) and Socio-economic Development (SeD) initiatives.

Our unique Life Chain Approach marks a transformative era in rural development: Collaborative efforts involving stakeholders, intelligent fund allocation, shared successes and a steadfast commitment to forging long-term partnerships that usher in tangible change for South African communities.

As a registered Non-Profit Organisation we invite individuals or companies to invest in the implementation of our programmes and we rely on your support to help keep the Angels Team flying.

AGRI4CHANGE

Agri4Change: offers Agri-entrepreneurs a comprehensive curriculum covering essential skills development for micro and subsistence farmers, from farming practices to leadership and life skills. Our interactive approach fosters both proficiency and a holistic understanding of sustainable economic impact.

ENTERPRISE4CHANGE

Enterprise4Change: this programme is designed to empower beneficiaries by identifying entrepreneurs in a community and stimulating their entrepreneurial spirit. The primary aim of the programme is to establish sustainable small enterprises to positively impact poverty and unemployment.

E4C BOOTCAMP

Igniting rural Entrepreneurship with E4C Bootcamp, offering one week of engaging, practical workshops, covering essential business skills and personal development skills. Comprehensive sessions improve both participants proficiency and a holistic understanding of sustainable business management practices.

WOMEN4CHANGE

Empowering Futures: Women4Change is not just a programme; it's a catalyst for change in the lives of young women, a programme that will give them confidence to step into the professional world with all the tools needed to shape promising futures, through practical workshops that equip for life.

YOUTH4CHANGE

Rural beneficiaries engage in theoretical and practical training days, group mentoring and life coaching sessions to ignite their potential. Embarking on a dynamic and transformative journey, youth will unlock life-changing training modules along the way, empowering them to make informed, positive life choices.

WASTE4CHANGE

Dedicated to equipping and empowering members of under-resourced rural communities who are passionate about waste-management and up-cycling. We foster an environment where individuals can discover and implement their own waste solutions, becoming catalysts for change in their own communities.

ANGELS OUTREACH & SERVICES

... The Perfect Solution for your Impact Objectives

FUTURE LEADERS ECO-CAMP

Youth Leadership Development

A week of outdoor activities, engaging with nature, participating in team challenges and enjoying informative outings, exposes rural youth to many life-changing experiences. Inspiring and equipping youth with environmental, leadership and life skills through immersive nature-based activities, fostering a sense of responsibility to advocate for their own communities.

MOBILE UNITS

Business Support Services

Increasing our reach by bringing many support services and access to technology to the people, using refurbished vehicles that are equipped with Wi-Fi and technology, sustained through long-life batteries, charged via solar panels, enabling their functionality in rural environment. Serving rural entrepreneurs and communities.

ECONOMIC DEVELOPMENT

Outsourced Professional Services

Appointing Angels as your ED Outsourced (EDO) partner is an approach that involves harnessing the collective expertise of a team that is committed to fostering local talent by employing, empowering and upskilling members of the community toward Economic and Socio-economic Development.

INTERN MANAGEMENT

Community Development Practitioners

Investing in the education and mentorship of emerging youth talents not only ensures the transfer of invaluable expertise, but also cultivates a new generation of leaders capable of addressing the nuanced needs of rural populations.

THE GREEN CLUB

Rural School Recycling Clubs

Introducing environmentally friendly activities and recycling practices in schools through a fun recycling club, managed by the Learners. Club activities use recycling and up-cycling as opportunities for young people to practice teamwork, leadership skills and engage in healthy competition.

FESTIVAL OF JOY

Hosting Community Events

Our Festival of Joy events are aimed at creating a joyful community gathering during the December holiday season. This sponsored event ensures a positive outcome by providing a safe environment for the community to come together, collaborating locally to make a meaningful impact on the region it serves.

BURSARY MANAGEMENT

Equal Education Opportunities

Our Bursary Management Services ensure that your investment in rural students leads to positive academic, personal, and professional outcomes. Partner with Angels and trust us to manage your bursary scheme with integrity and transform the lives of rural students and help them thrive.

ANGELS SOCIAL RESPONSIBILITY

Sandaalhout Primary School - Delft

This under resourced Western Cape primary school, adopted by Angels, will be supported in many ways - fundraising input, stationery drives, teacher support and more. Our aim is to help the teachers to engage meaningfully with the learners in a supportive and well-resourced environment.

WE'RE ALL ABOUT CHANGE

...Serving Rural Communities in South Africa

Angels are active in community outreach, providing both skills training and essential services, focusing on developing the whole community. We implement Corporate Social Investment (CSI) programmes for the empowerment women and youth, supporting entrepreneur development, actively engaging in collaboration with the local community and aligning perfectly with our vision and mission.
