Enterprise4Change BOOTCAMP

PROGRAMME | Equipping Entrepreneurs

The Enterprise4Change programme is designed to empower beneficiaries by identifying entrepreneurs in a community and stimulating their entrepreneurial spirit. The primary aim of the programme is to establish sustainable small enterprises to positively impact poverty and unemployment. Many of these entrepreneurs are talented and have great ideas, but face challenges that are greater than their current capacity.

DESCRIPTION AND OUTCOMES:

During this comprehensive programme we will empower (facilitate and mentor) equip (skills training) and enable (stipend) beneficiaries over a period of 12-24 months.

The overarching goal of this programme is to establish small ventures that are sustainable, can create jobs and contribute to the economic wellbeing of their immediate family and community as a whole.

PROGRAMME ACTIVITIES:

A 5 day Entrepreneur Skills Training Bootcamp starts the selection process which helps us recruit entrepreneurs who are most eligible to enter the funding and mentoring phase of the programme:

- Participate in Accredited Business Skills Training courses
- Recieve Professional Mentoring and Coaching
- Soft Skills Mastery: personal development
- Grant Funding for the purchase of Income Generating Assets
- Business Development Support

A Business Training & Mentoring Programme aiming to encourage enterprise development by supporting local entrepreneurs and SMME's to become sustainable business owners, through skills training, business plan, goal tracking and guided asset purchases..

Turning Entrepreneurs into Employers in their Community
